RULES & REGULATIONS

1. All costs and expenses incidental to the installation shall be borne by the owner of the premises to be served. The owner shall indemnify the Sewer Company from any loss or damage that may directly or indirectly be occasioned by the installation of the building of the sewer service line.
2. A separate and independent sewer service line shall be provided for every building.
3. No person shall uncover, make any connection with or opening into, use, alter or disturb any public sewer or appurtenance thereto without first obtaining from the Sewer Company approval of the required application for sewer service.
4. No person shall discharge, or cause to be discharged any storm water, surface water, ground water, roof runoff, subsurface drainage, basement drainage of ground water origin, or cooling water to any sanitary sewer. The manager of the Sewer Company or his representative shall have the right at any time to inspect connections to building sewers and require disconnection of any pipes carrying such water to the building's sewer.
5. The Sewer Company shall have the right to go upon the individual residential owner's property for the purpose of laying, maintaining, and servicing all affluent lines. The Sewer Company shall further have the right to go upon the individual residential owner's premises to disconnect the property from the affluent line should the individual resident owner fail to pay the herein prescribed rates within 90 days. **APR 18 1985**
